

Gratitude for a Fabulous Season

We're still glowing from another great season and are so grateful to everyone who contributed to its success. Our dedicated site liaisons worked behind the scenes to bring Girls on the Run to their communities while our coaches generously volunteered their time to ensure that 860 Puget Sound girls learned empowering messages of self-worth and confidence. Our 5K volunteers showed up at the crack of dawn to create a memorable race experience for each and every girl and Running Buddies encouraged their girl buddies to believe the seemingly unachievable is possible with a little hard work. And of course, our gratitude list would not be complete without including [our incredible sponsors](#), who provided scholarships for close to 70% of our girls and without whom this program would not be possible. We can't thank you enough.

As a reminder, to allow for growth and reach new schools, we are transitioning to a one season model, so our next season will be in the Spring of 2017. We are accepting new site applications and have already begun preparations for our biggest season yet! If you would like to bring Girls on the Run to your community or school, please complete a [newsite application](#). Coach applications will be available on [our website](#) in August.

Meet June's Girl Heroes!

**Board Members & Long Time GOTR Supporters,
Erin & Doug**

This month, we celebrate former Board of Directors members, Erin Kenny and Doug Jackson, as our Girl and Guy Heroes! Erin and Doug joined our board in 2010 and have been tireless champions for our program and girls over the past six years. We are so thankful to both of these hard working board members for their commitment to our mission and the many ways that they have positively impacted Girls on the Run.
